Dear Dr. Cuizon:

Greetings of peace!

The Information Literacy Program (ILP) of the Library System is divided into two (2) sessions scheduled this **February 16-17 and March 2-3, 2023**. This is given to all students enrolled in programs with research components to acquaint them of the fundamental information sources and skills essential to conduct research. Specific details are as follows:

Session & Topic	Schedule & Venue
Session 1: Introduction to Source Types & Online Databases (Library Subscription)	February 16 -17, 2023 (Research Classroom)
Session 2: Basics of Citation	March 2-3, 2023 (Research Classroom)

The test scores each session will be forwarded to the instructors through their respective schools.

Thank you for your continuing support.

Respectfully yours,

MS. THALIA MARIE L. DEONOSO, RL
Chair, Library Orientation/Instruction
