CLUSTER HEADS/COORDINATORS
SUBJECT: ENROLMENT FOR 1ST SEMESTER, AY 2020-2021

The online enrolment system of the university has allowed us to serve our clientele despite the distance and on-site limitations brought about by the COVID-19 pandemic. We are glad that our EDP, IT Support Services, and the Enrolment Committee are working out their best to make it operational.

However, we are encouraging every department to make necessary follow-up on your enrolment applicants for this first semester and AY 2020-2021. We are counting on everyone's effort and help increase our enrolment concerns.
