

COMMISSION ON ELECTIONS
Supreme Student Council
39th Congress

Dr. Gregg Victor Gabison
DEAN, College of ICCT
University of San Jose – Recoletos

Dear Dr. Gabison:

Greetings!

The COMELEC 39th Congress would like to request your aid and your faculty staff to help encourage the students to cast their votes on the Supreme Student Council Election Day on March 05, 2019. Please see the attached file for the venue of the polling precincts.

This is to promote awareness to each Josenian about their right to suffrage and exercise democratic participation in the school setting, hopefully imparting its importance and readying them of their civic duties, outside of the university. With your help, this year's election will be a success and will surely have an increase in voter's turn out. Your support on this matter would certainly be appreciated.

Thank you.

Respectfully yours,

For Gashin Tico
