SUBJECT: **VIRTUAL ORIENTATION WEEK FOR COLLEGE STUDENTS**

The COVID-19 pandemic has greatly affected everyone and caused a massive change in one's day-to-day living. However, the university has adopted the new platform in the delivery of instruction from physical to online. Thus, online classes will commence for the first semester on August 13, 2020, Thursday, AY 2020-2021.

Furthermore, the university through the Vice-President for Student Welfare in coordination with the Student Affairs Office and SDPC will be conducting a VIRTUAL ORIENTATION TO COLLEGE STUDENTS. This aims to prepare the Josenian students for the online classes as well as to cope with and manage anxiety and the uncertainty of the present situation.

All students are required to attend on their scheduled virtual orientation and widest dissemination of this information is requested. Thank you.
