Letter of Commitment

June 7, 2023

ATTY. MARION IVY D. DECENA

Director

Technology Application and Promotion Institute

DOST Compound, Bicutan, Taguig City

Dear **Director Decena**:

This is with regard to the **University of San Jose – Recoletos (USJ-R) School of Computer Studies (SCS)** application for pre-commercialization grant for the creation of a commercial prototype of **Carspace: An IOT-based Smart Parking Solution** under the **Technology Innovation for Commercialization (TECHNCOM) Program of DOST-TAPI**.

This to express our intent and commitment to render our services in the implementation of the said project. We understand that as collaborators, our responsibilities shall:

Project Leader – Oversee and ensure successful implementation of the project

Project Staff Level 3 - Perform development and maintenance activities; Develop additional features and/or improvements to the app;

Project Staff Level 2 - Patent drafting and paper publication preparation; Marketing and promotions. Conduct validation and testing

Project Staff Level 1 – Assist in deployment of IoT parking module; Do clerical, financial and administrative tasks related to the project; Coordinate with funding agency for submission of reports.

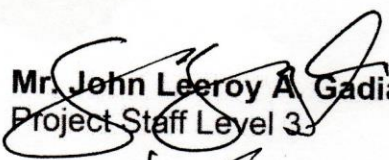

S&T Consultant – provide technical advice

Thank you very much.

Very truly yours,

DR. JOVELYN C. CUIZON

Project Leader
