DATE: JUNE 09, 2020
TO: THE DEANS
SUBJECT: LMS FOR SUMMER CLASSES 2020

The Adelante LMS is an innovative tool which will help to create, adopt, administer, distribute and manage all of the activities related to E-learning, or it can act as a complement to classroom learning. Thus, the request to utilize this tool was approved by the School Board for Summer Classes 2020.

However, the said LMS will be subject to evaluation upon implementation. We are hopeful that the said system will greatly aid in the delivery of instruction especially in this time of crisis.

A handwritten signature in black ink, appearing to be "L. Alaras", is written over a light blue rectangular stamp.
