With your presence, we are sure, that it will boost the morale of our students as they look forward to a promising and exciting career in Computing and Information Technology.

Furthermore, the celebration will be capped with the gathering of our alumni in our **First Grand Alumni Homecoming on February 22, 2020 at the Recoletos Coliseum**. The event will be **highlighted with the CICCT Josenian INSPIRE Awards** which recognizes our alumni who personifies the Josenian Core Values.
